

# **Internet Service Focus Group meeting in Vanceboro, N.C. on Saturday, September 21st at 11:00 am - 12:30 pm**

**Location: Vanceboro Town Hall, 7905 Main St, Vanceboro, NC**

**You are invited to participate in a local community focus group meeting to share your experiences as a consumer about your internet access services throughout Vanceboro. Reliable and affordable internet service is vital to our areas, and we want to hear from you.**

**Background: USDA Rural Development awarded a small grant to HarvestBeam Inc., under the RUS Broadband Technical Assistance (BTA) Grant program to conduct broadband surveys and focus groups throughout Vanceboro to better understand the perspectives of local consumers regarding the level of internet services they currently receive.**

**The focus group discussion will be led by students from East Carolina University (ECU) who have been selected for this project. Other attendees will include town officials, USDA Rural Development state officials and representatives from the Rural Utilities Service (RUS) and county leaders.**

**For questions  
and to RSVP
